Hardware Package CYC5812
THIS WINCH MOUNTING KIT CAN BE USED TO MOUNT EITHER A CYCLE COUNTRY 1500/2500 WINCH OR A WARN 2500 WINCH TO YOUR ATV.
All directions referring to right and left are when the rider is sitting on the machine. Please Note: The roller hawse, cable clamp, cable stop and hardware are included with the winch.

MODEL NUMBER 25-1090
WINCH MOUNT KIT INSTALLATION INSTRUCTIONS

1. Remove the front plastic bumper guard. Place the winch mount plate on top of the horizontal bumper support tubes as shown in picture below. The U-bolts will be placed around the tubes and up through the plate and are secured with nylock nuts. Tighten fully. *(Pictured below).*

   ![Place Winch Mount Plate on top of ATV frame.]

2. Mount the winch to the underside of the winch mount plate using the mount holes in the plate and the provided bolts. **Tighten hardware at this time.** Go to instructions for your winch.

   ![Front of ATV]
WINCH MOUNTING INSTRUCTIONS

Using the two bolts supplied with kit, mount the winch to the winch mount plate. Be sure that when the winch is mounted to the ATV, the winch motor is on the **RIGHT** side of the machine. Go to next instruction.

Using the four bolts supplied with the winch, mount the winch to the winch mount plate. Be sure that when the winch is mounted to the ATV, the winch motor is on the **LEFT** side of the machine. The roller hawse mount plate provided with the winch will not be used. Go to next instruction.

3. Place the front plastic bumper guard back onto the ATV, place the roller hawse mount bracket against the front plastic bumper guard using the 7/8” steel bushings as spacers. Attach using the 6 x 30mm bolts and flatwashers. See picture on next page

4. String the cable through the hole in the hawse mount bracket. Remove one of the long rollers and the two side rollers of the roller hawse and feed the winch cable through the roller hawse. Reinstall the rollers and be sure rollers move freely.

5. Attach the roller hawse to the hawse mount bracket using the bolts and nylock nuts provided with the winch. Tighten all hardware.

See Winch Wiring Instructions supplied with the Winch for proper installation.
One Year Limited Warranty

For the period of one (1) year from the purchase date, Cycle Country (a Kolpin Powersports Brand) will replace for the original purchaser, free of charge, any part or parts found upon examination by Cycle Country to be defective in material, workmanship, or both.

All transportation costs incurred submitting product to Cycle Country for warranty consideration must be borne by the purchaser. If Cycle Country determines that the product must be returned to the factory for credit, please call 1-800-841-2222 for a Return Merchandise Authorization (RMA) number and shipping instructions.

This warranty does not apply to parts that have been damaged by accident, alteration, abuse, improper maintenance, normal wear, or other causes beyond the manufacturer’s control. In order to protect you and your ATV, certain parts of the flow system and/or hardware are designed to fail when the equipment is over-stressed.

Peripheral products such as engines, electric motors, and actuators may carry an original manufacturer’s warranty. Please call Cycle Country for more information.
