Hardware package part No. CYC1621
THIS WINCH MOUNTING KIT CAN BE USED TO MOUNT EITHER A CYCLE COUNTRY 1500/2500 WINCH, SUPERWINCH ATV2500 OR A WARN 15, 25 or 30 SERIES WINCH TO YOUR ATV.

- All directions referring to right and left are when the rider is sitting on the machine. Please Note: The roller hawse, cable clamp, cable stop and related hardware are included with the winch.
- Read and understand installation steps before beginning installation.

MODEL NUMBER 25-2290
WINCH MOUNT INSTALLATION INSTRUCTIONS

1. Remove the front bumper shroud.

2. Install bracket and back plate (Items 2 & 3) to the location shown on the bumper. Do not tighten at this time as adjustment forward or backward may be required. (See image below)
3. Insert and mount the winch mount plate (Item 3). (See image below)

4. Insert and mount the winch. Adjust the winch and brackets so that the parts align to install the hardware. After mounting the winch, tighten all hardware.
5. Wire the winch according to the manufacturer instructions.

6. Route the winch cable through the roller fairlead and then install the roller fairlead to the winch mount plate. (Depending on the style of fairlead and winch installed, you may be required to insert the mounting bolts before the winch is installed.)

7. Re-install the front bumper shroud.
CAUTION
BE AWARE OF THE CABLE STOP CONTACTING THE ROLLER HAWSE WHEN THE CABLE IS WOUND IN.
FAILURE TO RELEASE THE SWITCH MAY CAUSE DAMAGE TO WINCH PARTS OR TO THE ATV.

When using the Winch to raise and lower a Cycle Country Plow, a Cable Stop must be installed.

Hook the Winch Cable to the CYC0345 (U608) (item #4 on your 15-0001 push tube kit) through the slotted hole. Carefully raise the blade until the top of the push tube are no closer than 1” anywhere on the ATV. Place the Cable Stop onto the Winch Cable up against the Winch Hawse. Secure the Cable Stop to the Winch Cable using the Cable Clamp Assembly as shown in the pictures below.
One Year Limited Warranty

For the period of one (1) year from the purchase date, Cycle Country (a Kolpin Powersports Brand) will replace for the original purchaser, free of charge, any part or parts found upon examination by Cycle Country to be defective in material, workmanship, or both.

All transportation costs incurred submitting product to Cycle Country for warranty consideration must be borne by the purchaser. If Cycle Country determines that the product must be returned to the factory for credit, please call 1-800-841-2222 for a Return Merchandise Authorization (RMA) number and shipping instructions.

This warranty does not apply to parts that have been damaged by accident, alteration, abuse, improper maintenance, normal wear, or other causes beyond the manufacturer's control. In order to protect you and your ATV, certain parts of the plow system and/or hardware are designed to fail when the equipment is over-stressed.

Peripheral products such as engines, electric motors, and actuators may carry an original manufacturer’s warranty. Please call Cycle Country for more information.
