OPERATING INSTRUCTIONS

Congratulations!

You’ve just purchased the most durable accessory component in the industry. Our accessories work great all year round! With proper care and maintenance, your Cycle Country accessory will last for years to come!

Please read and understand all assembly instructions, notices and warnings before assembling and using your Cycle Country accessory.

Follow these guidelines to ensure a successful and satisfactory installation:

- Read, understand this manual before beginning installation.
- Periodically check for wear and tightness of all fasteners. Replace or re-torque fasteners as necessary.

SAFETY & GENERAL PRODUCT INFORMATION

Cycle Country accessories are designed with your safety in mind. In order to protect you and your vehicle, certain parts of the accessory and/or hardware may be designed to collapse or break when the equipment is over-stressed.

Cycle Country winch mount kits are designed to be compatible with Cycle Country winches and many others, but may not be compatible with some winches.

Cycle Country winch mount kits have design features that favor snow plow applications.

One Year Limited Warranty

For the period of one (1) year from the purchase date, Cycle Country (a Kolpin Powersports Brand) will replace for the original purchaser, free of charge, any part or parts found upon examination by Cycle Country to be defective in material, workmanship, or both.

All transportation costs incurred submitting product to Cycle Country for warranty consideration must be borne by the purchaser. If Cycle Country determines that the product must be returned to the factory for credit, please call 1-800-841-2222 for a Return Merchandise Authorization (RMA) number and shipping instructions.

This warranty does not apply to parts that have been damaged by accident, alteration, abuse, improper maintenance, normal wear, or other causes beyond the manufacturer’s control. In order to protect you and your ATV, certain parts of the plow system and/or hardware are designed to fail when the equipment is over-stressed.

Peripheral products such as engines, electric motors, and actuators may carry an original manufacturer’s warranty. Please call Cycle Country for more information.
