### Install Preparation:

1. For **2.0"** and **1.75"** OD tube size mounting applications, use the respective size plastic clamp (item 19 or item 11) with the U type shim (item 3). The U type shim will be inserted between the clamp and vehicle tube to function as gripping pad.
2. For **1-7/8"** OD tube size mounting applications, use 2.0" clamp (item 19) with U type pad (item 3) and flat shim (item 20). The shims will be inserted between the clamp and vehicle tube.
3. For **1-5/8"** OD tube size mounting applications, use 1.75" clamp (item 11) with U type pad (item 3) and flat shim (item 20). The shims will be inserted between the clamp and vehicle tube. The flat shim (item 20) will need to be trimmed to fit. Cut  $\frac{3}{8}$ " of material from end of shim as shown. (See Illustration 1-1a).

### Mirror Mounting:

1. Attach to desired area on UTV vehicle tube, secure clamp using M6 barrel nut (item 12), M6 flat washer (item 14), M6 lock washer (item 15) and M6 screw (item 16).
2. Loosen M5 socket head cap screw (item 13) inside female pivot joint (item 9) using a 4mm allen key wrench.
3. Pivot mirror to desired angle and secure M5 socket head cap screw (item 13). You can also rotate mirror in and out to desired viewing angle.
4. To increase the amount of force needed to rotate mirror, simply tighten the tensioning nut (item 8) 2 revolutions.

**WARNING:** Do not over tighten hardware or damage can occur.

For additional assistance, please contact Kolpin customer service department at (877) 956-5746 or (763) 478-5800 or email [customerservice@kolpin.com](mailto:customerservice@kolpin.com)

Note: If any hardware is missing, do not return to the store. Call us to help, Toll Free 1-877-956-5746.

## **One Year Limited Warranty**

For the period of one (1) year from the purchase date, Kolpin will replace for the original purchaser, free of charge, any part or parts found upon examination by Kolpin to be defective in material, workmanship, or both.

All transportation costs incurred submitting product to Kolpin for warranty consideration must be borne by the purchaser. If Kolpin determines that the product must be returned to the factory for credit, please call 1-877-956-5746 for a Return Merchandise Authorization (RMA) number and shipping instructions.

This warranty does not apply to parts that have been damaged by accident, alteration, abuse, improper maintenance, normal wear, or other causes beyond the manufacturer's control. In order to protect you and your ATV, certain parts of the plow system and/or hardware are designed to fail when the equipment is over-stressed. Parts that are lost due to loosening and improper maintenance are not covered under warranty. This warranty does not cover removal or reinstallation labor fees of the plow system and related components.

Peripheral products such as engines, electric motors, and actuators may carry an original manufacturer's warranty. Most hardware is general in nature and is easily obtained locally. Be sure to replace with minimum metric class 8.8 specification.
